

We need
Volunteers &
Donations!

December 9, 2014

Join us for another year, as we give children in need from Loris a Christmas night to remember!

The evening begins at Ultimate California Pizza Game Zone on Lake Arrowhead Rd., where each child will be paired up with a volunteer.

Together they will enjoy free pizza and game time.

The next step is Christmas shopping at Walmart on Hwy. 17 at Tanger Outlets.

Volunteers will accompany their children on motorcoaches to Walmart where they will assist children in picking out toys and necessities using a Walmart gift card provided.

All volunteers must be preregistered. To register to volunteer please go to www.gsSCENE.com and click on Substitutes for Santa.

When you register you must submit your full name including maiden name and birthdate for a mandatory background check.

Anyone can volunteer until all positions are full & deadline is Nov. 28.

Substitutes for Santa is completely funded by donations from the community. What we collect in donations determines what we have to give each child to spend. You can donate online at gsSCENE.com and click on Substitutes for Santa, or write check to: SOS Caring Kids. All money received will specifically go to fund this event only. So please consider volunteering and donating to help this worthy cause.
