

SOS cordially invites you
to an OPEN HOUSE event!

When: Thursday, October 30 from 4pm-6pm

**Where: Making Change Consignment, 1106 N. Kings Highway
(parking available in back)**

Why: It is time to fill the gap! Let's network with the other organizations in the area that share a common goal! Come have an appetizer while hearing about the **SOS Job Coaching Program**. Do you know families that would benefit from our program? Come mingle with colleagues and hear how we can help each other as we continue to assist adults with special needs in our community!

How: This evening is only possible with your presence on *October 30th at 4pm*. As you know -working in the realm of special needs, "It takes a village!" We would appreciate your support! Remember, we are all in this together! Let's collaborate!
